

Family Name	Duquenne
First Name	Marie-Noelle
Title	Associate Professor
Gender	Female
Country of Birth	France
Date of Birth	30/01/1957
Current Company Name	University of Thessaly
Current Department/Faculty	Polytechnic School, Department of Planning and Regional Development, Pedion Areos, 38334 Volos - Greece
Telephone number	24210-74438
Email address	mdyken@prd.uth.gr

1

Research interests:

- Statistical and Econometric Analysis of demographic, socio-economic and spatial phenomena.
- Organisation, management and Implementation of on-field socio-economic survey, with emphasis on economic behaviours and perception
- Design and Treatment of Databases
- Methodology and tools for the implementation of quantitative and qualitative research
- Regional and Local Development, with emphasis on socio-economic, cultural and heritage components
- Residential economy and territorial attractiveness

Studies

Institution [Date from - Date to]	Degree(s) or Diploma(s) obtained:
From: Sept. 1976 To: June 1979	Licence in Economic Science and Quantitative Methods, Faculty of Economics, University of Paris-X-Nanterre, France
From: Sept. 1979 To: June 1980	Maitrise in Economic Science and Quantitative Methods, Faculty of Economics, University of Paris-X-Nanterre, France
From: Sept. 1980 To: Oct. 1981	DEA in Quantitative Economics and Econometric Methods, Faculty of Economics, University of Paris-X-Nanterre, France
From: Nov. 1981 To: Mai 1984	Doctorat (Ph.d) Mathematical Economics and Econometric Methods, Faculty of Economics, University of Paris-X-Nanterre, France

Language skills (competence's scale of 1-excellent to 5-basic)

Language	Reading	Speaking	Writing
French	Native language		
English	1	2	2
Greek	1	1	1

Participation to International Network

- **RAFAC** 'Réseau Agricultures Familiales Comparées'
- **DemoBalk** Network which aims at the development of research in matters of population in the SE Europe (Member of the Council)
- **PopCrises** Network, (under the auspices of Aldo Moro University in Bari - Italy), a Network of Researchers aiming to explore the impacts of the current economic crises to the population of South-European countries.
- Inter-Mediterranean Network MEDEF (Méditerranée Défavorisée)
- Inter-Mediterranean Network DYNMED (Dynamique Méditerranéenne)

Awards

«Chevalier dans l'Ordre des Palmes Académiques» (Academic Palms) delivered by the Ministry of Education and Research of France, in 2005.

Present position

Professor in “Statistical and Econometric Methods for Spatial Analysis”, University of Thessaly, Polytechnic School, Department of Planning and Regional Development.

Member of the scientific team of the Laboratory of Demographic and Social Analysis (LDSA), <http://www.demography-lab.prd.uth.gr> and the Laboratory of Rural Space (LRS), <http://www.dyntar.prd.uth.gr/index.php/el/>, at the University of Thessaly.

Teaching experience**Teaching experience outside the University of Thessaly**

1981-1982: Economic School of the University of Paris-X-Nanterre.

Tutorial courses (Chargé de Travaux Dirigés)

Course: Statistical analysis I.

1985-1990: Teaching at the French Educational Foundation, CFES, based in Athens, under contract with the Universities of Grenoble and Rouen.

Courses: (a) Macro-Economy I and II (b) Political Economy and Economic Development, (c) Statistics (d) Econometric analysis.

Teaching experience at the University of Thessaly

2000-2002. Elective Studies Program: Department of Rural Environment and Natural Resources Management, University of Thessaly

Courses: (a) Environmental economy (b) Principles of Economic Management

2000-2005. Department of Planning and Regional Development, University of Thessaly

Temporary academic staff [PD 407/80]

2000-2005: *Econometrics*,

2001-2005: *Data Analysis*,

2002-2005: *Statistics*,

2002-2005: *Local Development and Local Government, co-teaching*,

2003-2005: *Methods of Data Analysis*

2006-2019. Department of Planning and Regional Development, University of Thessaly, after nomination as Assistant professor

Undergraduate level:

2013-2019: *Political Economy* (co-teaching)

2005-2019: *Econometrics*,

2005-2019: *Statistics*,

2005-2011: *Data Analysis*, (and 2015-2016)

Master Level:

(a) Transnational Master "Spatial Dynamics and Rural Planning» (DYNTAR)

2004-2015: *Economy and Regional Development at regional level*,

2009-2015: *Methods of processing and utilization of quantitative and qualitative data and cartographic representation*,

2008-2015: *Resources' specification*,

2004-2008: Methodological tools of statistical and econometric analysis,

(b) Transnational Master «Population, Development, Foresight» (PODEPRO).

2011-2015: *Local development*,

2005-2015: *Data Analysis*,

2005-2011: *Data processing and surveys' analysis*,

(c) Master «European Regional Development Studies» (ERDS)

2010-2018: *Methods of Spatial Economic Analysis*,

(d) Master «Spatial Analysis and Environmental Management» (SAEM)

2013-2018: *Spatial Analysis* (co-teaching),

(e) Master «Tourism and Cultural Planning and Development» (TCPD)

2014-2019: *Research Methods for Economic Analysis* (co-teaching).

(f) Master «Project Management, Transportation and Spatial Planning» (MTSP)

2015-2019: *Applied Statistics Methods*.

(g) Master «New Entrepreneurship, Innovation & Development» (NEID)

2017-2019: *Research Methods*.

(h) Master «Sustainable Management of Environmental Changes and Cyclical Economy» [SMECCE]

2018-2019: Sustainable Development

Other teaching experience

- 1st Advanced Summer School on Food Marketing, Consumer Behavior and Quantitative Methods of Market Research, TEI of Thessaly, Larissa (14-18 July 2014). Course: *Quantitative Market Research and Data Analysis (15 hours)*
- 2nd Advanced Summer School on Food Marketing, Consumer Behavior and Quantitative Methods of Market Research, TEI of Thessaly, Larissa (13-17 July 2015). Course: *Quantitative Market Research and Data Analysis (12 hours)*
- Paros Summer School "The demographic evolutions in Greece and the wider geopolitical space", 27/7/2015 – 07/8/2015, Lecture: The internal mobility of the crisis period (two hours)

Employment

- 2011 Invited researcher at *Institut National d'Etudes Démographiques (INED, France)* for the period September until November (3 months).
- 2000-2006 Teaching appointment at the *Department of Urban Planning and Regional Development, University of Thessaly* (Visiting Assistant Professor). Lessons: Statistics, Econometric Analysis, Statistics with SPSS, Data analysis and Local Development – Diagnostic Methods. Member of the scientific team of the Laboratory of Rural Areas and scientific collaborator of the Laboratory of Demographic and Social Analysis (LDSA) in the same University.
- 2000-2003 Teaching appointment at the *Department of Management of Rural Environment and Natural Resources, University of Thessaly* (Visiting Assistant Professor). Lessons: Economy of Environment, Economic Principles of Management.
- 2000- Staff member of the *Laboratory of Laboratory of Demographic and Social Analysis* at the Department of Planning and Regional Development, University of Thessaly, (Director: Pr. B. Kotzamanis).
- 1999- Staff member of the *Laboratory of Rural Space* at the Department of Planning and Regional Development, University of Thessaly, (Director D. Goussios).
- 06/1998-09/1999 Scientific advisor of General Secretary, *Greek Ministry of Environment, Planning and Public Works*. Responsible of the relations between General Secretary and Universities, Research Centres and NGO concerning programmes and studies attributed by the Ministry.
- 03/1997-05/1998 Scientific advisor of General Secretary of Forests and Natural Environment, *Greek Ministry of Agriculture*. Responsible of the relations between General Secretary and Universities, Research Centres and NGO concerning programmes and studies attributed by the Ministry.
- 1995 – 1997 Scientific researcher, *Centre of Social Morphology & Social Policy of the Panteion University (KEKMOKOP)*. Member of the scientific team involved in the study “Aged people in rural areas – survival conditions”, (Responsible: As. Prof. A. Moissidis). Coordinator of the data survey.
- 1995 Scientific researcher (contractual researcher) at the **University of Crete, School of Social Sciences**. Member of the scientific team involved in the study “Development study of the regions of Patras and Aigialia” Project K.A. 491.
- 1994-1995 Scientific collaborator at the *Agricultural University of Athens, Department of Agricultural Economy*, Laboratory of Agricultural Economy. Member of the scientific team in the programs: “Pilot Survey of total incomes of Farm Households in Greece” (EU Research, DG VI/A3) and “Strategies concerning the employment of feminine work-force in the rural areas” (Community Research Program «DEMETRA: Labour strategies of farm women in (non) diversified rural areas of Europe», AIR CT94-2414, (Responsible: Prof. S. Efstratoglou)

- 1993 - 1995 Scientific collaborator of the research team at the Direction of Studies and Planning, *Agricultural Bank of Greece*, for the project: "Agricultural Peri-urban areas: functions – transformations – perspectives". Coordinator of the data survey and statistical treatment.
- 1993 Scientific collaborator in the program "Field Reorganization and Exploitation of the Work-force, Special Forms of Employment and New Work Relations". *Work Institute of the National Confederation of Greek Workers* (Scientific responsible: G. Gouzis, V. Georgakopoulou). Program of the EEC- Ministry of Employment and Social Protection.
- 12/1992 – 02/1997 Associate consultants, *Vakakis International S.A.* Agricultural Development Consultants. Co-ordinator of E.U. research programs in Europe and Africa concerning the agricultural and rural sectors. Responsible of on-field surveys, creation of databases, statistical and economic analysis. In this context, a lot of short missions have been realized in all the rural areas of Greece, in Bulgaria, in Morocco and Tunisia, in Burkina Faso, Ivory Coast, Togo, Guinea, Zimbabwe, Zambia, Swaziland, Malawi and Lesotho. Specially involved in STD programmes of the E.U.
- 1987 – 1988 Scientific collaborator in the program "International Competitiveness of the Greek Economy, Determinative Factors and the place of Greece in the International Distribution of Employment", (Responsible Prof. T. Giannitsi) *National and Kapodistrian University of Athens*.
- 1986 – 1992 Scientific researcher, *Institution of Mediterranean Studies*, Athens. Member of the scientific teams in different research programmes financed by E.U. (MIP Attica, MEDEF et.c). Responsible of statistical analysis, creation and management of databases, implementation of on-field surveys (Responsible Prof. T. Giannitsi, D. Diamanos, Ch. Ziogana).
- 1981 – 1983 Researcher at the Research Centre *CEDRA, University of Paris-X-Nanterre*

Research experience

- From 1986, participation in 56 research programs funded by national and international institutions (EU, Eurostat, World Bank etc) as main member of the research' staff and /or scientific coordinator.
- From 1992, participation in 20 studies in the private sector.
- Publications: 8 books (including the Doctoral Thesis), 21 papers published in scientific journals with reviewers, 4 new papers submitted and in review, 12 papers in other scientific journals, 40 papers published in Proceedings of National and International Conferences (with reviewers), 15 Chapters in collective books, 34 scientific communications in national and international Conferences.
- Invited lecturer in numerous seminars and workshops
